Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. Eastep:

As per our telephone conversation on November 6, 2007, I've prepared an electronic version of your application for your consideration.

Since you were unable to purchase the adjoining property, I have replaced the "irrigation use" with a "domestic use" in the application. According to Kootenai County tax lot information, your lot is approximately 0.3 of an acre in size. A "domestic use" allows for the irrigation of up to one-half acre of lawn & garden, therefore, I believe this would be more fitting, in your situation, than an "irrigation use".

If the application meets with your approval, please sign page two and return it to me within the next 30 days, so as not to delay processing. If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin  
Senior Water Resources Agent
