Re: NOTICE OF APPLICATION L-96-S-1519A, Gary Eastep

Gentlemen:

The Idaho Department of Water Resources (IDWR) appreciates this opportunity to comment on the above-mentioned application to withdraw water from Lake Pend Oreille for irrigation purposes.

Prior to the use of any water from Lake Pend Oreille, the applicant must first secure a water right permit from the Department of Water Resources. Current records indicate Gary Eastep has not filed an application for such a permit.

Please advise the applicant to contact me at 1-208-762-2800, to obtain information on how to apply for and obtain a water right.

Thank you.

Sincerely,

ATTACHED

Keith E. Franklin
Senior Water Resources Agent
