Joe Larsen:

Hughes Farms, Inc. has a lease to farm Reclamation lands near the Teton Canyon, which expires February 28, 2008. A new lease will be issued for approximately 203 acres - 63.8 irrigated acres and 139.3 dryland farming, from March 1, 2008 to February 28, 2013. I will send you a copy of the old lease and the new draft lease in the mail.

Thanks for you help with this.
