RE: Change of Ownership for Water Right 85-7040

Dear Water Right Holders:

The Department of Water Resources acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

I also located another water right which appears to be appurtenant to your property. I've enclosed a report of that water right and a notice of change in water right ownership. Please submit the notice along with the \$25 fee if you would like the water right changed over to your name.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
