Subject: Transfer 73906 - Tuscany Hills LLC

Dan –

In response to your letter dated February 25, 2008 regarding water right transfer 73906, I am sending this email to confirm that Tuscany Hills, LLC is currently an active business entity in the State of Idaho. As noted in your letter, the LLC was administratively dissolved in January 2008. We determined that the dissolution occurred because documents sent to Tuscany Hills LLC were returned to the Secretary of State as undeliverable. The LLC was subsequently reinstated on February 27, 2007, and the reinstatement is now reflected on the Secretary of State's website. We appreciate your bringing this to our attention. Please resume processing of the transfer application. If you have any additional questions, please contact me. Thanks.
