**RE: APPLICATION FOR TRANSFER FOR TUSCANY HILLS LLC TRANSFER
NUMBER 73906**

Dear Mr. Scanlan:

I left you a message by telephone on 2/25/2008 concerning the ownership of the above described transfer. During the review of the transfer, it was discovered that per the Idaho Secretary of State Business Entity records, Tuscany Hills, LLC Administratively dissolved on January 4, 2008. Therefore, there is some concern that this corporation has sold, or is no longer able to file a transfer on the water rights in question.

Please investigate this information and inform me if we should proceed with the transfer. If another entity now owns the property and would like to proceed with the transfer, then they will need to provide documentation showing the transfer has been assigned to them and warranty deeds showing ownership of the property.

If your client does not wish to proceed with the transfer at this time, please have them send me a formal request to withdraw the transfer application. I have enclosed a copy of the Idaho Secretary of State information available to our office showing the company has been dissolved.

Please submit the requested information to allow final evaluation of your application to be completed. You may seek additional time to provide the information by making a written request to delay or interrupt processing. Your written response including the requested information, or a request for more time to seek the information, must be received by 3/25/2008. IDWR will issue a preliminary order to reject or deny the application without a timely reply.

If you have any questions or concerns please contact me at the above address or telephone number 287-4918.

Respectfully,

Daniel A. Nelson
Staff Hydrologist – Water Distribution Bureau
