Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. Fodge:

The Idaho Department of Water Resources is returning your application for additional information, corrections and clarification.

Item #1 Applicant

Is the application to be filed under Sam Fodge or Fodge Pulp, Inc.? If the latter, please submit a copy of the articles of formation for Fodge Pulp, Inc., that has been filed with Idaho's Secretary of State, showing a list of the officers, managers, board of directors, etc.

Item # 2 Source

Please indicate the source from where you wish to appropriate water and the tributary if appropriate.

Item #3 Point of Diversion

Please complete the rest of this section including the quarter quarter where the point of diversion will be located and the name of the county.

Item # 9 Place of Use

Please complete this section. Place an "I" and "F" in each of the appropriate quarter quarter boxes indicating where the water will be used.

Item #10 Other Water Rights

Please complete this section. If no other waters, so indicate.

When resubmitting the corrected application, please attach a USGS map showing the location of the point of diversion and an outline of where the water will be used. In addition to this map, a copy of a plat or aerial photograph will be helpful.

COPY

Please re-submit the application and additional information within the next 30 days so processing of the application can continue. If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent

Enclosure.
