RE: Application for permit #65-22942

Dear Mr. & Mrs. Basso:

The purpose of this letter is to review the current status of your application. After the telephone pre-hearing conference in early July our office has received a response letter from Mr. Belau and a contact to Jan Shurte in September. If you feel that negotiations toward a protest settlement have been exhausted, a hearing needs to be scheduled by our office. Please provide the following information in writing to our office by November 25, 2005:

-Current status of the application, and your intentions—do you wish to continue the process or withdraw the application?

-If a settlement can not be reached with the protestants, please provide a request for the appointment of a hearing officer and setting of a hearing date, (sometime in January 2006).

Should you have questions, please contact me at the Western Regional Office, phone 334-2190. Your cooperation is appreciated.

Sincerely,

John Westra, Manager
Western Region
