CONDITIONS OF APPROVAL

1. This right does not grant any right-of-way or easement across the land of another.
2. After specific notification by the department, the right holder shall install a suitable measuring device or shall enter into an agreement with the department to determine the amount of water diverted from power records and shall annually report the information to the department.
3. Commercial and recreation storage uses are for a fishing pond.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 4th day of February, 2008.
