Re: Change of Ownership for Water Right #45-2639

Dear Ms. Garrett,

The Department acknowledges receipt of correspondence changing ownership of the above referenced water right and has modified the record to reflect the change in ownership. Enclosed is a computer-generated report for your records.

In researching the water right I came across water right 45-2324. (See enclosed) This water right seems appurtenant to the 63 acres purchased in parcel No. 5 of the Warranty Deed. If you wish for our records to be changed it is necessary for you to complete the enclosed Notice of *Change of Water Right Ownership* form. Please complete it per the instructions (pages 3 and 4), (I have retained the required information listed under item 2, so you don't have to resubmit the deed) enclose a \$25 fee and return everything to the Department

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
