RE: Change of Ownership for Water Right 95-7290

Dear Water Right Holders:

The Department of Water Resources acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records. I have entered the name as shown on the Quit Claim Deed, but if you send documentation, such as a marriage certificate, to reflect the name shown on your Notice of Change of Ownership within 30 days I will gladly update the record.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Emalee Rushing".
