PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NO. 37-20400

Dear Permit Holder:

The department acknowledges receipt of an Assignment of Permit and a Proof of Beneficial Use ("proof") regarding the above referenced water right. The department has modified its records to reflect the change in ownership and has accepted the proof based on the evidence of development of the water right submitted.

Enclosed is a computer-generated report that reflects the change in ownership, and an order reinstating the permit and advancing the priority to September 21, 2007 based on the date proof was submitted.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions concerning the field examination, please contact the Southern Regional Office of the department in Twin Falls at (208) 736-3033.

Sincerely,

Deborah J. Gibson
Administrative Assistant
