Re: Permit No. 37-20400 / W. Bruce Willis

Dear Shelley:

This letter pertains to the above-referenced permit, which is owned by W. Bruce Willis and has recently lapsed. The permit holder is requesting reinstatement of the permit. Pursuant to your letter dated August 22, 2007, the following information is being provided:

1. Evidence of ownership is provided by the enclosed deeds, showing ownership of Lots 35, 36, and 39A within Flying Heart Ranch Subdivision No. 2. Also, a change of ownership form has been filed with the Southern Region office.
2. A Proof of Beneficial Use form is enclosed, signed by Mr. Willis.
3. The examination fee of \$50 is enclosed.
4. Evidence demonstrating the timing and extent of development include the following:
 - a. I personally visited the property in June 2003 and verified that the wells were installed, irrigation was occurring, and construction was underway including irrigation systems and placement of sod to bring the total irrigation up to the allotted amounts. I verified that the irrigated place of use was approximately 3 acres at that time and was being increased in order to develop the 6 acres total allowed by 37-20400 and 37-8502.
 - b. Enclosed well drilling records show development of four (4) wells from 1992 through 2002. Except for the 2002 well, these wells had been drilled prior to permit 37-20400 issuance for domestic

purposes.

- c. The enclosed aerial photos from 2004 and 2006 show the irrigation occurring (the 2005 photo is not available because the FSA did not fly this area that year). The irrigation is visible on the three lots through the tree cover.
5. The Proof of Beneficial use was not filed due to frequent administrative turnover within Mr. Willis' organization which led to inattention to the permits on this property. A contributing factor was the sale of the property from O'Gara to Willis while the permit remained in the O'Gara name. Also, Mr. Willis' counsel did not receive the proof due notices, nor did Mr. Willis' engineering consultant.

Cordially,

Charles G. Brockway, P.E.
