RE: Application for Permit #65-22942—Basso

Notice of Intent to Void Application for Permit

Dear Mr. & Mrs. Basso:

On February 22 2005 you filed with the Idaho Department of Water Resources (IDWR) the above reference Application for Permit. The application notice was published, and protested by Roger Belau (Warm Springs Lateral Users). The protest remains unresolved.

IDWR sent you a letter on May 26, 2006 requesting additional information. The letter established a 60 day deadline. To date, the requested information has not been received.

The purpose of this letter is to request that you withdraw the application or submit the requested information by **June 1, 2007**. If the information is not submitted by the deadline, IDWR will issue an order to void the application. The void will be on the grounds that needed information to process the application has not been provided, ref. IDAPA 37.03.08 Rule 35.

Should you have questions please contact me at the Western Regional Office, phone 334-2190.

Sincerely,

John Westra
Western Region

cc: Roger Belau,

Enclosure: IDWR Letter 5/26/06, Withdrawal Form.
