Dear Protestants:

Attached is an amended version of the application originally filed 2/22/05 by Donald & Patricia Basso. The amended application will be re-advertised for public notice in the World Herald February 20 & 27, 2008. **The protest filed 04/22/05 by the creek waterusers remains in effect** even though the application has been amended by the applicants.

I would draw your attention to the attached amended application. The applicants have added a storage (tank) component to the use, and diversion from the unnamed stream will be curtailed from 6/15 to 11/1 each season.

Use: Irrigation (from stream)	Period of Use: 04/01 to 06/15
Diversion to Storage (tank)	11/01 to 06/15
Irrigation Storage (tank)	11/01 to 06/15
Irrigation from Storage (tank)	04/01 to 10/31

Please submit any comments regarding the amended application to our office by **March 10, 2008**. A protest withdrawal form is also enclosed if you find the amended application acceptable and wish to withdraw the group protest.

Should you have any questions, please contact me at the Western Regional Office, phone 208-334-2190.

Sincerely,

John Westra, Manager

Re: Water Right Application for Permit No., 65-22942
in the Name of Donald and Patricia Basso

To Whom It May Concern:

We the undersign do protest this application.

The reason for this protest is because of the drought situation we are and have been experiencing, there is not enough water to go around for all of the existing water right holders now on Warm Spring Creek.

Sincerely,

Dave L. Mettleton
