Re: Permit No. 98-7818

Dear Mr. Beachy:

The department acknowledges receipt of the Request for Extension of Time ("request") form submitted for the above-referenced permit. I understand that this request is being filed for substitution of the Proof of Beneficial Use received on December 17, 2007. Therefore, enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit extending the proof due date to **December 1, 2012**. Please note that the department granted this extension based on evidence of good cause. It is important that you work diligently toward the completion of this project during the construction period allowed, since the department will not grant any additional extension requests based on good cause according to Section 42-204(5), Idaho Code.

With the Department's acceptance of the request as substitution of the proof, I am returning the proof with this letter. The license examination fee you paid at the time of filing proof will be refunded. A check in the amount of \$150.00 will be mailed to you within 7 to 10 business days. Additionally, the priority date of this permit was adjusted at the time proof was filed because the proof was filed after the proof deadline. The department will not change the July 3, 2002 priority date because of this substitution.

Section 42-248, Idaho Code requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. Additionally, these forms can be found on our website at: www.idwr.idaho.gov

If you have any questions regarding this matter, please contact me at (208)287-4942.

Sincerely,
