PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 91-7169

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

During my review of the proof you filed with the department, I found that you are diverting a maximum rate of 0.21 cfs. According to your permit, you are limited to 0.11 cfs. You must limit your use to the permitted amount. Also, because you based the filing fee on the higher rate, I will be refunding you \$50.00. A check in that amount will be mailed to you in 7 to 10 business days.

Be advised that Section 42-248, Idaho Code, requires water right owners to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions about the field examination, please contact the Northern Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,

Deborah J. Gibson
