PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO 35-13476

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

During my review of your proof and comparing it to the permitted uses, you stated that you are irrigating one (1) acre. According to your permit you are only authorized for a Domestic use. The Domestic use has an irrigation component that is limited to $\frac{1}{2}$ acre or less. Therefore, your irrigation use is limited to $\frac{1}{2}$ acre.

Be advised that Section 42-248, Idaho Code, requires water right owners to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions about the field examination, please contact the **Eastern Regional Office** of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Deborah J. Gibson
Administrative Assistant
