RE: Change of Ownership for Statutory Claim No. 87-4024

Dear Interested Party:

The Department of Water Resources received your Notice of Change in Water Right Ownership for claims 87-4024 and 87-4064 on December 24, 2003. The ownership change was completed and a confirmation was sent to you on March 25, 2005.

Upon further review of the documentation submitted, the Department does not see evidence that the University of Idaho Regents owns the property where claim 87-4024 is located. I've enclosed a copy of the statutory claim report which shows the place of use for this water right as the NESE of Sec. 35, Township 41N, Range 5W, B.M. I've also enclosed a copy of the notice and supporting documents submitted.

The Department has changed the record to show the original claimant as the current owner. A refund of your filing fee in the amount of \$25 has been requested and will be mailed to you shortly.

Please call if you have any questions regarding this matter.

Sincerely,

Shelley W. Keen, Manager
Water Right Permits Section
