### PROOF ACKNOWLEDGMENT LETTER

**RE: PERMIT NOS. 63-12569 & 65-13933**

Dear Permit Holder:

The department acknowledges receipt of the field examination reports for the above-referenced permits. The next step in the process is for the department to review the files for issuance of water right licenses.

The department previously received the proof of beneficial use statement for these files and the license exam fees. As you have requested the Department will refund the license exam fees for these permits in the amount of \$325.00. A check in this amount will be issued and mailed to you within 7 to 10 days.

I have updated the Department's records for these water rights to reflect your new mailing address. Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

Sincerely,

Deborah J. Gibson  
Administrative Assistant  
Water Allocation Bureau
