RE: Carpenter Rental Agreement

Mr. Marshall:

Enclosed is the agreement for Dean Carpenter to rent water from the Water Bank, and check number 12359 in the amount of \$245.00. In your discussion with Kristin Moore of our office (Wednesday, January 16, 2008) she asked about tying this application for rental for Dean Carpenter with the extension of the lease for Scott Carpenter for a portion of water right 31-7167A. You indicated that there should be no problem as long as Dean Carpenter's rental application indicated the information on the water right. Hopefully, the information included on the enclosed application for Dean Carpenter to rent water from the Water Bank is sufficient to accomplish tying the two together.

Please feel free to contact this office for any additional information.

Thank you,
