RE: Water Right Permit No. 47-8278

Dear Permit Holder(s):

The Department of Water Resources sent an Application for Amendment form to the address above on September 27, 2007, for the above referenced water right permit. The amendment is required because the field examiner who verified the water use established in connection with the above referenced permit reported that one or more elements of the water use differs from the permit. As of this date, the Department has not received a response.

If the Department does not receive the signed Application for Amendment form by February 8, 2008, water right permit no. 47-8278 will be voided. Please note that a \$50.00 filing fee is required for the amendment. In case the original form has been misplaced, a new one is enclosed.

If you have any questions, please contact me as soon as possible at (208) 287-4943.

Sincerely,

A handwritten signature in black ink, appearing to read 'Aaron Marshall', is written over a horizontal line.

Aaron Marshall
Sr. Water Resource Agent
