Shelley:

Our client, Bear Lake West Property Owners Association (BLWPOA), has requested that I send this email in response to your letter dated January 11, 2008. In that letter, you advised that IDWR was withdrawing the licenses for 11-7399 and 11-7424 to give BLWPOA additional time to consider its concerns with the included acre-feet limitations. In light of your letter and further consideration of the issues, the BLWPOA Board no longer has any objection to the acre-feet limitations contained in the licenses for 11-7399 and 11-7424 and requests that they be re-issued without change. If you have any questions, please do not hesitate to call or email.

-Scott
