CONDITIONS OF APPROVAL

1. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to determine the amount of water diverted from power records and shall annually report the information to the Department.
2. The right holder shall not provide water diverted under this right for the irrigation of land having appurtenant surface water rights as a primary source of irrigation water except when the surface water rights are not available for use. This condition applies to all land with appurtenant surface water rights, including land converted from irrigated agricultural use to other land uses but still requiring water to irrigate lawns and landscaping.
3. This right does not grant any right-of-way or easement across the land of another.
4. Irrigation of large projects such as parks, golf courses, or sports activities fields is not authorized under this right.
5. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustration purposes.
6. Place of use is within the area served by the public water supply system of Bear Lake West Property Owners Association. The place of use is generally located within Sections 15, 21, and 22, Township 16S, Range 43E.
7. Right 11-7424 is also diverted through the point(s) of diversion described above.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 14th day of February, 2008.
