RE: 26195 Moonglow, Middleton, Idaho
Block 1, Lot 8, Benchmark Estates

Dear Mr. Nelson,

Attached please find a copy of a letter from Black Canyon Irrigation District, stating that the above-mentioned property is not in their district. Black Canyon Irrigation District irrigation water has never been used with regard to Block 1, Lot 8, Benchmark Estates, 26195 Moonglow, Middleton.

Please remove the Black Canyon Irrigation District supplement water right from my portion of water rights for the property.

Thank you.

Sincerely,

Judy Beck

Dear Judy:

I talked to Dan Nelson this morning after I received your fax. He stated you might be in the boundary of Black Canyon. I also asked him the exact location of your property. He stated you are in Section 20 T25N R26W in NE1/4SE1/4. That is out of bounds for our district. The land does not have water rights with Black Canyon.

If you have any more questions, please feel free to call.

Thank you.

Becky Anderson

Hi Dan -

I was disappointed to find that my property is not in the Black Canyon district. Attached is a letter from Black Canyon. I tried - it sure would have been a wonderful addition if the water rights were active with Black Canyon.

Thanks again for your help. I wish the outcome with the Black Canyon were different - Judy Beck
