CONDITIONS OF APPROVAL

1. Place of use is within the service area of the City of Blackfoot municipal water supply system as provided for under Idaho Law.
2. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustration purposes.
3. Prior to the diversion and use of water under Transfer approval 72537, the right holder shall install and maintain acceptable measuring devices, including data loggers, at the authorized points of diversion, in accordance with Department specifications.
4. This right does not grant any right-of-way or easement across the land of another.
5. The right holder shall not provide water diverted under this right for the irrigation of land having appurtenant surface water rights as a primary source of irrigation water except when the surface water rights are not available for use. This condition applies to all land with appurtenant surface water rights, including land converted from irrigated agricultural use to other land uses but still requiring water to irrigate lawns and landscaping.
6. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code.

WATER RIGHT NO. 27-4086
As Modified by Transfer No. 72537

CONDITIONS OF APPROVAL

7. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
8. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
9. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
10. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
11. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
12. The diversion and use of water described in Transfer 72537 may be subject to additional limitations agreed to by the protestant and the right holder under Instrument #586847 entitled Water Use Agreement recorded in Bingham County on 10/10/2007 to which the Department is not a party and which may be enforceable by a court of law.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.

This condition applies to all land with appurtenant surface water rights, including land converted from irrigated agricultural use to other land uses but still requiring water to irrigate lawns and landscaping.
6. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code.

WATER RIGHT NO. 27-7329
As Modified by Transfer No. 72537

CONDITIONS OF APPROVAL

7. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
8. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
9. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
10. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
11. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
12. The diversion and use of water described in Transfer 72537 may be subject to additional limitations agreed to by the protestant and the right holder under Instrument #586847 entitled Water Use Agreement recorded in Bingham County on 10/10/2007 to which the Department is not a party and which may be enforceable by a court of law.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
