RE: WATER SUPPLY BANK LEASED WATER RIGHT NO 77-2095

Dear Ms. Kozlowski:

Idaho Department of Water Resources (department) records show that all of water right no. 77-2095 was originally accepted into the water supply bank (bank) in its entirety on October 21, 2002, in the name of Rose Neal Estate with a lease term ending December 31, 2013. The water right was decreed on October 13, 2006, in your name. This letter is a reminder that the following amounts under water right no. 77-2095 are leased to the bank:

<u>Water Right No.</u>	<u>Rate</u>	<u>Volume</u>	<u>Acre Limit</u>	<u>Total Acres</u>
77-2095	1.40 cfs	N/A	N/A	73.0 ac

Please note, while a right is in the bank, the owner of the right may not use the right without approval of the department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Section 42-351, Idaho Code, for illegal diversion and use of water, and may include civil penalties pursuant to Section 42-1701B, Idaho Code. Also consider that the five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank.

If you have any questions regarding this matter, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
