RE: Change of Water Right Ownership Claim No. 63-5161A

Dear Mr. Evans,

On May 22, 2007 this office sent you a letter confirming the Change of Water Right Ownership on WR #63-5161; however that WR number was incorrect (see copy of letter enclosed). The correct water right should have been **#63-5161A**. Therefore, please disregard the aforementioned letter as it is invalid pertaining to your legal water right.

We will be sending you a corrected verification letter shortly.

Thank you for your patience and cooperation.

Please feel free to contact this office if you have any questions concerning this letter.

Sincerely,

Leslie Rivers
