Re: Change of Ownership for Water Right No(s). 65-6436

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

You received a letter in November, 2007 stating the ownership change had been completed. However, the water right had not been decreed in the SRBA yet and when it was moved over to water rights, the water right went back to the original owner's name. It has now been changed. I am sorry if this has caused any confusion.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

Jean Hersley
Office Specialist I
