RE: Change of Ownership for Water Right 36-8395

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

While reviewing the documents submitted, I discovered that there are two more water rights located on your property. They are 36-14588 and 36-14589. I've enclosed a blank Notice of Change in Water Right Ownership for your convenience. Also enclosed are the water right reports which indicate the type of use for the water right.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for Emalee Rushing
Office Services Supervisor
