Subject: OVERLAP, MORATORIUM INFORMATION

Replaces lapsed right 78-07187.
Irrigation portion of application must be held due to Salmon
River Moratorium. Stockwater portion is approvable as exemption.
Letter to applicant 5/2/94 will allow split unless applicant does
not want to pursue stockwater at this time.
Originally advertised with P/U in just one QQ instead of two. If
split occurs, re-advertise stock portion only as notice of
correction @ P/U. If not split but entire application held due to
moratorium, do not re-advertise notice of correction until change
in moratorium allows processing to continue.
