Subject: Applications to Rent Water from the State Water Supply Bank

Dear Cynthia:

On behalf of Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter Day Saints, I am pleased to submit the enclosed applications to rent a total of 15 acre feet of Basin 63 groundwater from the State Water Supply Bank. The applications propose leasing the water during the 2005 calendar year at the current rental rate. Water use would be 7 acre feet at the Northside Boulevard meetinghouse facility (Site #581-0272) and 8 acre feet at the Lansing Lane meetinghouse facility (Site #563-1416). The water will be used for landscape irrigation.

The rental for 2005 will cover potential water use prior to approval of pending water right transfer applications for each facility.

My office can deliver a check for the water rental as soon as the rental application is approved. In the meantime, please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E., P.G.
