FR: Darwin McKay / President The Turf Company
RE: Clarification for Water Lease
DT: March 14, 2005

The actual location of the water application is the east $\frac{1}{2}$ of the SE $\frac{1}{4}$ of the section. The field is bordered on the south by Fairview Ave. and the east by Eagle Rd.. The total of the acreage of the field is ± 75 acres. The field is part of the total lease of JMK Farm. The point of diversion is in the SE corner of the field. This well is one of the two wells on the farm.
