**RE: RENTAL OF WATER RIGHTS LEASED TO THE WATER SUPPLY
BANK. WATER RIGHT NO(S). 63-15634**

Dear Lessor:

A letter dated October 31, 2005 was mailed to you from the Department of Water Resources indicating that a state warrant would be issued to you in the amount of \$42.90 for rental of water from the Water Supply Bank. Water Supply Bank rule 35.01, IDAPA 37.02.03, specifies that return for the rental is ninety percent (90%) of the gross amount received at a rental rate of \$11.00 per acre-foot of water. Ten percent (10%) of the total rental fee should be retained for administrative fees. In this case, the administrative fee of \$4.29 was not deducted from the amount described above. The remaining amount of \$38.61 will be issued in the form of a state warrant as payment to the lessor.

The Controller's office will issue the warrant within the next twenty (20) days to the address specified on the Request for Taxpayer Identification Number and Certification form (W-9 form) provided to the Department.

We apologize for any confusion. If you have questions, please feel free to contact me at (208) 287-4954

Sincerely,

Noreen Vaughan
Water Allocation Bureau
