ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, DAVID R. TUTHILL, JR., of the Department of Water Resources hereby approve the above Application for Amendment for Permit No. 87-07201 with the following:

CONDITIONS OF APPROVAL

1. The issuance of this right does not grant any right-of-way or easement across the land of another.
2. After specific notification by the department, the right holder shall install a suitable measuring device or shall enter into an agreement with the department to determine the amount of water diverted from power records and shall annually report the information to the department.
3. Water quality improvement and aesthetic storage uses are for wetlands.
4. This right authorizes an annual volume of water to fill the storage facility and the amount required to replace losses through evaporation.

Witness my hand this 4th day of February, 2008.
