

MEMORANDUM

To: File – 63-27786
From: Denise Buffington
Date: February 5, 2008
Subj: Change of Ownership

IDWR received a change of ownership for the above referenced water right number on June 14, 2006. We sent the new owner, New Providence Group, a letter requesting the filing fee on April 9, & June 5, 2007.

A final letter was sent on October 5, 2007, in which we returned all of the original documents because we did not receive the filing fee.

I received a call from Alan Hodge at New Providence Group on February 4, 2008 inquiring about this paperwork. He stated that they (New Providence) did not own this piece of property any more, and he suggested that we contact the people in which they sold to in 2006. He gave me the name of Richard & Lois Ann Owens Family Trust as the current owners, and that Title One handled the transactions.

After looking at the documents submitted in 2006 again, I found that the deeds were for property located primarily in 4N 2W Sec. 13. The water right referenced is for property in Sec.1 of the same township & range.

It appears that the incorrect water right number was referenced on the change of ownership form submitted. Clarence & Florence Bennett are still listed as the current owners of the property associated with 63-27786 in Sec. 1; per Canyon County tax lot data. Attached is a list of the water rights in our database, located in 4N 2W Sec. 13, NWNW (from the deed submitted).

It appears that Owens possibly receive water from an irrigation district, ditch company, municipality or community water company.
