Scott:

The SF-5 settlement clears the way to expedite the Nampa School District transfer application as requested. Most likely the transfer application can be advertised by early March if not sooner. So this one is on track now.

Hi Steve,

Attached is a copy of the SF-5 submitted to the SRBA court yesterday for 63-32625 / Nampa School District #131. Hopefully this resolves any outstanding issues that would prevent this transfer application from moving forward.

Have an enjoyable weekend.

Thank you,
Scott
