Subject: Legal notice for publication on Sept.20 & 27, 2007

Good afternoon, Catherine,

Attached is our cover letter requesting publication on September 20 and 27, 2007 of a legal notice. The legal notice is also attached.

If you have ANY questions, PLEASE call me at 208-762-2800.

I realize the CDA Press sets up your legals - with a new girl presently in training, we need to make sure that we stay with a 2-column layout.

Also, please either e-mail or FAX me a copy of the PROOF before it goes to press so I can double check layout. (I'm not looking for a "proof of publication" - just a proof (preview) copy before publication.

Thank you very much for your help, and *have a marvelous weekend.*

RE: Application for Permit No 91-7168

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the Shoshone County News Press on September 20 & 27, 2007. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin
Senior Water Resource Agent
