RE: Transfer 73330

Troy Bodily
3686 W 800 S
Weston, Id 83286

Dear Mr. Bodily,

I have reviewed your application for transfer and believe that an amendment will be needed for this transfer to accurately reflect the transfer map as it was submitted with this transfer. Specifically the land list for the place of use does not match the map submitted with the transfer. I have prepared an amended transfer with a corrected legal description of the place of use. Furthermore the point of diversion is currently not in the correct location, while the legal description is correct according to the transfer map the location within the quarter will need to be changed as a result of this transfer. I have reflected both of these issues in the amended transfer I have enclosed with this mailing. I have further added a transfer map with this amended transfer.

Please review to ensure correctness, sign, notarize, and return the amended transfer to the address listed below at your earliest convenience. If you have any questions or concerns please contact me at the number listed below.

Respectfully Submitted,
