Subject: Legal notice for publication on November 15 and 22, 2007.

Good afternoon, Sheri,

Attached you should find our cover letter requesting publication on November 15 and 22, 2007 of a legal notice. The legal notice is also attached.

If you have ANY questions, please call me at 208-762-2800.

If you need to abbreviate County to save space, that's OK. If you need to drop the font by 1 point, that's also OK.

Please e-mail or fax a proof copy to me prior to publication.

Thanks, as always, for your super help.

Have a marvelous rest of the day. [And the days sure seem short since we went off daylight savings time. It's dark about 4:00 here!]

Dianne

RE: Application for Permit No 96-9357

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the Bonner County Daily Bee on November 15 & 22, 2007. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin
Senior Water Resource Agent
