RE: Application for Transfer No. 73415, in the name of Layne Harris.

Dear Dave:

Enclosed is a Special Master's Report and Recommendation, Findings of Fact and Conclusions of Law relating to Water Right No. 22-12900. Previous to resolution of this matter in the SRBA, we have filed a transfer application on March 7, 2007, requesting a transfer of this enlargement right such that it would be diverted from a new point of diversion approximately ½ mile away. We are unaware if the Department has received notice that this matter has been resolved, and can proceed forward. Now that it is resolved, we would ask that the Department continue processing the transfer. If you have any questions, please let us know.

Sincerely,

Robert L. Harris
