Re: Evaluation comments

This transfer proposes to change the POD of this enlargement to an existing well and effectively make it an enlargement of another license. Change in ownership.

Authority to File:

Applicant purchased enlargement and is making it an enlargement of his license. See quit claim deed.

Water Right Validity:

This water right was recommended in the SRBA in 2005. Forfeiture is not an issue.

Injury to Other Water Rights:

POD falls within the Madison Ground Water District. Within ESPA both PODs are in the same cell. No analysis is needed. No Watermaster yet.

Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
