Re: File Numbers 67-7281, 67-7292 & 67-2365

Letter dated 11/13/2006 to Treva Land and Frank Land was returned as undeliverable. I was given these files on this date to research the current address for the permit holders or locate current property owners.

While researching I discovered that:

1. The tax lot info indicated that the property is now owned by D. Wayne Cada.
2. I then searched for other water rights in the same location as these permits.
3. I found WR Lic. # 67-7895 was in the name of D. Wayne Cada and Jody M. Cada.
4. I discovered a Notice of Change in Water Right Ownership was received on May 6, 2004 – this notice listed the 4 previously mentioned WR and Permit numbers.
5. I found that 67-7281, 67-7292 & 67-2365 are still active in the SRBA – that is why allocations did not process the ownership change for these records.

On this date I reviewed the documents submitted and found there is sufficient evidence to process the ownership change. I recommend that the ownership change be processed and the Application for Amendment of Permit for Licensing Purposes be pursued with the current owners, D. Wayne Cada and Jody M. Cada.
