Re: Assignment of Permit

I received a phone call on this date from Rebecca Edge who was calling in response to a letter dated 10/30/07. Mrs. Edge stated that the permit holders are deceased and has no way of obtaining an assignment of permit. The Edges purchased the property in 1991 from the Duffs. The Edges then sold the property in 2002 to Terry Liechty.

I told Mrs. Edge that we would retain the assignment of permit and notice of change in water right ownership in the file and that no action would be taken at this time. Once the field exam is conducted and the WR license is issued, the change of ownership can be done at that time.
