Re: Application for Permit No. 67-14787

Dear Ms. Armitage:

We discussed the above referenced application yesterday and today. Based on those discussions, please see the enclosed amended application for your review and signature. The amended version corrects the irrigation season, corrects the place of use to agree with your deed, and includes explanatory remarks about ground water not considered tributary to the Weiser River.

Please give me a call if you have any questions or concerns about the enclosed application. If it looks fine, please sign it and return it to me at your earliest convenience for processing to continue. The department must void the application without a response within thirty (30) days unless you seek more time to consider the amended application.

Thank you for your attention to these matters.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Lester". The signature is fluid and cursive, with the first name "Steve" and last name "Lester" clearly distinguishable.

Steve Lester
