Re: Application For Permit to Appropriate the Public Waters of the State of Idaho.

Please outline the location of the land that you are going to use the irrigation on, plus mark the location of the point of diversion on the attached map.

Once the department receives this additional information, processing of the application can continue. If you have any questions, please call me at 208-762-2814 or email me at eric.davis@idwr.idaho.gov

Sincerely,
