RE: Change in Ownership of Water Right 98-7351

Dear applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for the above referenced right. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- X **Signature:** Enclosed is a copy of the front page of the application and a blank second page for your signature.
- X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question.

Deeds used to verify ownership should be signed, recorded, and notarized. A Title Insurance Policy may also be accepted as proof of ownership, however a Commitment For Title Insurance, as received with your application, cannot be accepted as proof.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If the required information is not received within 30 days, your application and attachments will be returned unprocessed.

Please feel free to contact me at 208-287-4800 or [dayna.ball@idwr.idaho.gov](mailto:dayna.ball@idwr.idaho.gov) if you have any questions.

Sincerely,

Dayna Ball, Technical Reviewer
