In regards to your letter sent to us on January 2, 2008, of which I have enclosed a copy, the property remains in all four buyers names. The Quitclaim Deed that was recorded simultaneously was specifically for a life estate, reserving the father's right to remain on the property in the Mobile Home. I have also enclosed a copy of the Tax rolls showing all four parties still in title.

Please feel free to call with any questions regarding this matter.

Sincerely,
