RE: Change in Ownership of Water Right 97-7377

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received on February 22nd, 2006. Our review of your notice indicates that additional information is required before we can process the change.

The application lists Russell Meech, Sandra Meech, Timothy Byers, and Ronda Byers as the new owners and the form was signed by Russell. The warranty deed dated 2/7/2006 conveys the property and water right to the Meech's; however, the quitclaim deed dated 2/15/2006, conveying the property to the Byers, supercedes the warranty deed.

Based on these deeds, we are not able to change the ownership to all four applicants. Current proof of ownership by all applicants is required, or to change the ownership to the Byers' only, the application must list only their names and must be signed by Timothy and/or Ronda. I am enclosing a copy of the original application that you may revise if you would like to change the applicants.

The Department cannot process the ownership change proper documentation. We will hold your application for 30 days pending receipt of the necessary information. If we do not receive the documentation within that time, we will return your notice and all attachments unprocessed.

Please feel free to contact me at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions.

Sincerely,
