An aerial photograph of a rural landscape. A large, irregularly shaped area is outlined in red. The area is divided into several sections by a grid of blue lines. The top section is a dark, wooded area. The middle section is a large, open field. The bottom section is a large, rectangular field with a distinct pattern of parallel lines, likely a plowed field. The text "T73737" and "Schmid" is printed in the center of the middle section. Two small circles, one yellow and one blue, are located near the top right corner of the red boundary line. Two white circular marks are visible at the top edge of the image.
